ANNOUNCEMENT

Sonae Indústria launches new site on the Internet

🔗 TODAY CLICK ON: www.sonaeindustria.com

Click on www.sonaeindustria.com and discover the new website of the most important group of Portuguese industrial companies in the wood based panels sector. SONAE INDÚSTRIA invites you to enter this space launched today, the 3rd of April 2008.

This new site corresponds to the formulation on the web of SONAE INDÚSTRIA's image previously launched under the motto "New Perspectives" and which accompanies the objective of growth in the most profitable markets of the sector, following a clear and sustainable vision of the future, without ever losing its link to a fundamental past.

The new site permits a quick access to all information, allowing an easy navigation through a combination of new functions. Share holders, Annalists, clients, investors, employees, students and public in general will find simpler and more efficient ways to access the company's institutional information.

The contents are presented in Portuguese and English in an organized and objective form, making the company's details available at mission levels, objectives, organization and constitution; the investors information related to the indicators, reports, institutional presentations or financial calendars, the products catalogue of raw board and high value products.

Regarding the subjects of the environment and sustainability, the respective policies and certifications obtained are accessible. A space for the media is also available, with all the necessary information for the press. You can also find information on the Stock Exchange which is updated minute by minute.

Following the guidelines of the Social Responsibility program assumed by the company, SONAE INDÚSTRIA's new website was programmed to be of easy access to people with special needs, namely the visually impaired.

This is another instrument of SONAE INDÚSTRIA's compromise towards its mission with the investor, the client, sustainable development and the globalization of the business.
